Dear Kazell,

Thank you again for your contribution of water and playing in the 2014 Beachwood Chamber of Commerce Golf Outing held June 13, 2014 at Hawthorne Valley Golf Club. We saw more golfers and hole sponsors this year than in the past, as well as the level of prizes and items in the welcome bags impressed many golfers. The outing provided a great networking opportunity for potential clients, reconnecting with other Beachwood companies, and a team building experience. Hole sponsors had the opportunity to interact with the golfers on the holes to promote their business and play mini games. Your contribution truly helped make our event a success, and we hope you will consider participation in the 2015 event.

As you know, it is never too early to begin planning for the 2015 Golf Outing, and the date has already been selected. We hope you will consider helping out for next year's event, or even in a more involved capacity. We are always looking for hole sponsors/event sponsors, items for the golfer welcome bags, volunteers for different stations during the event, raffle prizes, golfers, food vendors and committee members.

We thank you again for your continued support of the Beachwood Chamber of Commerce and we will see you at the 2015 outing!
